

17th Cup Michel Wanten 2021.

Dear gymnastic friends,

We want inform you in advance and thereby also invite you for our 17th Cup Michel Wanten.

It concerns a friendly international WAG Competition.

And this on 26/27/28 November 2021, of course under approval to covid-19

In this context, we will subdivide each competition into sub-competitions, so that there will be fewer gymnasts on the competition floor.

In such a sub-competition there will be 4 short rotations.

Our Cup Michel Wanten is a team competition, but individual participation is also possible..

There is also a 5th category for young gymnasts, but only possible if you have registered gymnasts as delegations in one of the other categories on Sunday morning.

And on Sunday there are Apparatus Finals for 1 Youth category (cat2) and the juniors and seniors.

On Friday 26/11/2021 there is also the possibility to join the podium training.

Please pass this on in time to make a covid-compliant / feasible planning.

More information always to find on www.cupmichelwanten.com.

In advance most welcome,

Luk Van Gompel
